

CULTURAL SPLENDOR MEETS MODERN COMFORT

To enhance the convenience of devotees, the Yogi government is setting up over 2,000 Swiss cottage-style tents in Sector-20 (Arail) of the Mahakumbh Mela area. These luxury tents are being established by the Uttar Pradesh State Tourism Development Corporation Limited (UPSTDC) in collaboration with six partners, offering a comfortable stay for pilgrims.

Exceptional arrangements are being made in Prayagraj for saints and devotees from across the country and the world for the Mahakumbh. A unique feature of the event will be the grand entrance gates, each 100 feet long, showcasing live depictions of India's rich cultural heritage and creating a memorable first impression for visitors.

In the Sangam area, the Hanuman Temple Corridor and Akshayvat Corridor have been developed to provide devotees with a divine Mahakumbh experience. Additionally, beautification efforts are underway at Saraswati Koop, Patalpuri, Dwadash Madhav Temple, Bhardwaj Ashram, Nagvasuki Temple, and Shringaverpur Dham. These sacred sites will serve as major attractions for devotees during the event.

This time, devotees from India and abroad will witness the divine and enchanting essence of ancient Indian culture. Carved statues of mythological and culturally significant figures are being installed at key intersections across the city. These include depictions of Arjun, Garuda, Nandi, Gada, and Maa Ganga, among others, designed to captivate and inspire visitors.
