THE CLEAN CRUSADE

From collective shame to national pride, India's journey toward eliminating open defecation is a story of strong political will and leadership, grand scale and ambition, and community, corporate and celebrity participation

BY SONALI ACHARJEE

> **"The mission for cleanliness is not one day's, it is a life-long tradition. We have to take it forward for generations"**
>
> **— NARENDRA MODI**
> *Prime Minister of India*
