ACCURATE GROUP OF INSTITUTIONS

A LEGACY OF EXCELLENCE IN EDUCATION AND LEADERSHIP

In the dynamic and ever-evolving world of business and management, Accurate Institute of Management & Technology, Greater Noida, under the aegis of the Accurate Group of Institutions, has carved a niche for itself as a premier institution of higher education. With a legacy spanning 17 illustrious years, Accurate has consistently set new benchmarks in management education, engineering, technology, architecture, pharmacy, and diploma courses.

POONAM SHARMA

Chairperson, Accurate Group of Institutions

VISIONARY LEADERSHIP

The journey of Accurate Institute is guided by the exceptional leadership of Ms. Poonam Sharma, Chairperson of Accurate Group of Institutions. Her visionary approach and unwavering commitment to quality education have driven the institution to achieve remarkable milestones in academic and professional excellence.

A LEGACY OF EXCELLENCE

From its inception in 2006 to its current stature as one of India's leading educational institutions, Accurate Institute of Management & Technology has continuously evolved to meet the needs of a dynamic world. With a commitment to quality education, global exposure, and industry readiness, Accurate stands as a beacon of excellence. Its 17-year journey is a testament to its dedication to empowering students, shaping leaders, and contributing to society. Accurate Institute is not just an institution—it is a transformative experience and a Launchpad for promising careers.

The institute has grown into a hub of excellence, fostering holistic development and empowering students to become global leaders.

FLAGSHIP PGDM PROGRAM: TRANSFORMING CAREERS

Known for its holistic approach and innovative pedagogy, Accurate Institute of Management & Technology, a flagship institution of the Accurate Group of Institutions, has carved a distinctive niche in the realm of higher education. Among its many offerings, the Post Graduate Diploma in Management (PGDM) stands out as a hallmark program that embodies the institute's commitment to shaping future-ready leaders.

The PGDM program, approved by the All-India Council for Technical Education (AICTE), is a two-year, full-time course designed to go beyond conventional academics. With a strong focus on immersive learning, it prepares students to thrive in a competitive, fast-evolving business environment. At the core of the program lies its Outcome-Based Education (OBE) approach, which aligns the curriculum with industry needs. By emphasizing practical knowledge
