Dr Vivek Saggar is a name synonymous with excellence in dentistry, but his story is as much about his deep-rooted values as it is about his professional achievements. Known for revolutionizing dental care in North India, his state-of-the-art clinic in Ludhiana has set benchmarks in dental care, cosmetic dentistry and implantology. Patients ranging from celebrities to homemakers and even physicians trust him for his gentleness, thoughtfulness, and impeccable skill.

Dr Saggar's journey into dentistry began at Government Medical College, Amritsar, where he pursued his Bachelor of Dental Surgery (BDS). For his post-graduation, Dr. Saggar chose King George's medical college Lucknow. He secured 22nd rank in the All India entrance test. Beyond academics, his passion for sports saw him representing his college in various tournaments, showcasing his multifaceted personality.

After completing his education, Dr Vivek Saggar established a cutting-edge dental clinic in Ludhiana, offering advanced care and innovative treatments. A pioneer in Punjab, Dr. Saggar introduced advanced techniques in cosmetic dentistry, implantology, and smile correction procedures, earning him accolades nationwide.

Dr Saggar describes dentistry as a blend of art and science, a philosophy that has driven him to perfect his craft. His clientele includes celebrities, and his clinic has been recognized as one of the best in India by 'Incredible India', ranking third after Escorts and Apollo.

His accolades include being named Best Dentist in India twice and receiving awards for Best Dental Clinic in India, twice. Notably, he was honored by former Health Minister JP Nadda and the All India Medical Sciences (AIMS) for his contributions to the field. Also named "The Outstanding Dentist of India in 2013", Dr Saggar is also an active member of many national and international professional associations. Yet, what truly defines him is his humility and dedication to service—a legacy he has inherited from a lineage of healers.

DR VIVEK SAGGAR'S DENTAL CARE AND CURE CENTER

Dr Saggar's clinic, set in the heart of Ludhiana, is designed to international standards, offering an unparalleled patient experience. With interiors that resemble a five-star hotel, the waiting rooms exude comfort and luxury, putting patients at ease even before their treatment begins. The clinic boasts an in-house dental lab. Equipped with the most modern dental technology, the facility adheres to stringent international sterilization and cross-infection control protocols. Services range from routine examinations and professional dental cleaning to general dental care, cosmetic smile enhancement, and smile design. The clinic is particularly renowned for the surgical insertion of dental implants, restoring function and aesthetics for patients with missing teeth.

A HERITAGE OF HEALING

Dr Vivek Saggar's journey is deeply intertwined with his family's history of compassion and service. His grandfather was a revered doctor, while his father, a doctor of great renown, was known for his tireless dedication to his patients, drawing people from far and wide.

Dr Saggar carries forward this legacy with pride and gratitude. "My family's values have always been about serving humanity," he reflects. "They inspire everything I do in my practice."

His parents also exemplified a life of service. After retiring from their profession they dedicated two decades of their lives to social service at Haridwar..

Dr Saggar's own family mirrors his commitment to excellence and compassion. His wife, Dr Kavita Saggar, is an eminent radiologist and Head of the Department of Radio-diagnosis at Dayanand Medical College and Hospital (DMCH), Ludhiana. With nearly three decades of experience, she has been a pillar of support and inspiration in his life.

Their children, Dr Karan Saggar and Dr Vani Saggar, have inherited their parents' drive for excellence. Dr Karan is a practicing dentist in

Canada, continuing the family tradition of transforming lives through healthcare. Dr Vani, a Columbia University graduate with a Master's in Health Administration, is making strides in the field of healthcare management, focusing on patient care.

A HOME THAT TELLS A STORY

The Saggar family's home in Ludhiana's Country Homes East is more than just a residence—it is a reflection of their lives, values, and passions. A sprawling lawn greets visitors, hinting at Dr Saggar's love for nature and tranquility. The poolside projector adds a unique touch, making it a hub for family gatherings and celebrations.

Away from his clinic and home, Dr Saggar is a man of many passions. An avid traveler and bird photography enthusiast, he finds joy in capturing the beauty of nature. His interest in medical tourism has also led him to promote India as a destination for advanced yet affordable healthcare.

BEYOND DENTISTRY: EDUCATION AND VISION

Dr Saggar's commitment to dentistry extends beyond his practice. He served as Vice Principal of a dental college for 17 years, during which he mentored countless aspiring dentists.

Looking ahead, Dr. Vivek Saggar envisions establishing standardized dental care that is easily accessible to everyone, ensuring quality treatment for all sections of society
