WHERE NDA CAN BOOST ITS STRIKE RATE

Pradeep Gupta, chairman and MD, Axis My India, divides the states/ UTs in three groups based on the NDA's 2019 'strike rate' to highlight its prospects this election

GROUP 1

NDA NEEDS TO MAINTAIN ITS TALLY

It's imperative for the NDA to repeat its strike rate of over 90 per cent in these 19-odd states and UTs. Maharashtra and Bihar are critical, given the constant political churn. And so is Karnataka, where the BJP lost the state polls

	NDA won in 2019	NDA lost; LS seats in ( )
MAHARASHTRA (48)	41	7
BIHAR (40)	39	1
MADHYA PRADESH (29)	28	1
KARNATAKA (28)	26	2
GUJARAT (26)	26	0
RAJASTHAN (25)	25	0
JHARKHAND (14)	12	2
CHHATTISGARH (11)	9	2
HARYANA (10)	10	0
DELHI (7)	7	0
UTTARAKHAND (5)	5	0
OTHER UTs (6)	3	3
HIMACHAL PRADESH (4)	4	0
GOA (2)	1	1
JAMMU (2)	2	0

TOTAL: **238** / **19** (257) | STRIKE RATE: **93%**

48

NO. OF SEATS THE NDA NEEDS TO GAIN TO REACH THE 400 MARK

GROUP 2

MOST CRITICAL TO NDA'S 400+ PLAN

In these four key states and the Northeast, the NDA had done fairly well, securing nearly 60 per cent of the 185 seats. An improvement in the strike rate to 80 per cent can give it the critical push to gain 30-40 seats

	NDA won in 2019	NDA lost; LS seats in ( )
UTTAR PRADESH (80)	64	16
WEST BENGAL (42)	18	24
ODISHA (21)	8	13
TELANGANA (17)	4	13
ASSAM (14)	9	5
OTHER NE STATES (11)	6	5

TOTAL: **109** / **76** (185) | STRIKE RATE: **59%**

GROUP 3

NDA HAS SCOPE TO IMPROVE ITS TALLY

For the NDA, the biggest challenge and also the opportunity are these Opposition-ruled states and Kashmir where it had fared poorly. In Punjab, for instance, it's going solo this time

	NDA won in 2019	NDA lost; LS seats in ( )
TAMIL NADU & PUDUCHERRY (40)	1	39
KERALA (20)	0	20
PUNJAB (13)	4	9
ANDHRA PRADESH (25)	0	25
KASHMIR (3)	0	3

TOTAL: **5** / **96** (101) | STRIKE RATE: **5%**

NDA won in 2019 | NDA lost; LS seats in ( )
