A Relationship that keeps you healthy and happy

Salem's Biggest Multi-speciality Hospital

Shanmuga multi-speciality hospital The first, still the best

Facilities

In House Lab, Scan Centers, Dialysis Unit and Operation Theaters

Situated in the heart of the Salem city

We were the first full fledged hospital in the region and over the years we have stayed in pace with the times, kept abreast of the major developments in the field in terms of facilities and created excellent infrastructure. Today, we are a hub for healthcare in the region. The main hospital includes private, inpatient suites, an emergency department that is staffed by emergency medicine physicians, state- of-the-art surgical program, full-service lab, advanced radiology services, and more.

Facilities: General Medicine / General Surgery / Paediatrics & Neonatology / Laparoscopy Surgery / Video Endoscopy / Obstetrics & Gynaecology / Neurology / Neuro- Surgery / Pulmonology / Medical & Surgical Oncology / Radiation Oncology / Orthopaedic Surgery / Radiology / Urology / Nephrology / Dialysis / E.N.T / Psychiatry / Dental / Micro Biology / Biochemistry / Pathology / Physiotherapy / CT Scan / C-Arm / Cathlab / Echo Colour Doppler / Computerised Lab / Pharmacy
