

KILL *July 5*

Director: Nikhil Nagesh Bhat

Starring: Lakshya, Raghav Juyal

An all-out action film, where all the drama unfolds on a train, much like *The Train to Busan*. With a body count of 40 and fake blood of 150-odd litres, this one is certainly not for the faint of heart

KALKI 2898 AD *June 27*

Director: Nag Ashwin

Starring: Amitabh Bachchan, Kamal Haasan, Prabhas, Deepika Padukone

A dystopic tale in the mould of Hollywood biggies like *Dune* and the Mad Max films, Ashwin too reimagines a futuristic and mythical world where a dried-up Ganga sets off a war between the water-haves and have-nots
