SUPPORT PETA INDIA'S EMERGENCY RESPONSE TEAMS

Animals face neglect, abuse, and critical emergencies. Don't let their cries for help go unheard.

PETA India is committed to alleviating their suffering and ensuring the well-being of all animals, and our emergency response teams are a critical part of this work. **Our dedicated animal care experts provide life-saving veterinary treatment and interventions 24 hours a day, 365 days a year.**

YOUR GIFT PROVIDES URGENT CARE FOR ANIMALS IN CRISIS

Without our emergency response teams, animals tangled in fencing, trapped in jars, stranded on highways, or stuck in wells would likely die. Instead, they are rescued and rehabilitated at our clinics.

- Each week, our ambulances respond to approximately **150 calls**.
- Our two ambulances cover some **6000 kilometres** every month.
