

# 24/7 Cruelty Response: We Never Rest

Our response teams are on call around the clock, ready to respond to reports of cruelty or emergency situations at any time – even in the middle of the night. Our teams rescue, treat, rehabilitate, and sterilise animals across India who otherwise would not receive help from any other agency.

**Jhansi, Uttar Pradesh**

A 15-day-old puppy fell into a 45-metre-deep borewell. A veterinary officer had refused to help, but our team took action and involved higher authorities. After 14 hours of rescue efforts, the puppy was saved.

Also in Jhansi, rescuers responding to a call to our emergency line found a bull stranded in a well, bellowing in distress. No other rescue organisation covered the area, so it was up to our team to facilitate his recovery, tend to his medical care, and reunite him with his herd.

**There are countless stories like these about animals in need of assistance**, including monkeys attacked by dogs, birds too sick to move, and cows hit by cars and left on highways. Your support is needed to help ensure someone can be there for the next puppy or other animal who would likely die a prolonged, painful, and lonely death without our help.

## POWER OUR WORK
## Against Cruelty to Animals

Without our rescue teams, there would be no fully equipped rescue experts and veterinarians coming to save and treat animals in grave danger. **And without you, there would be no rescue teams.**

## Your Donation Makes a Difference

The life-saving work of our rescue teams depends on the generosity of our donors. Donations provide necessary medical supplies, transportation resources, and specialised training. Your support directly contributes to the well-being of animals across the nation. Even small donations aid in the rescue and rehabilitation of abused and neglected animals.

## Free With Your Membership Donation

**As a new member of PETA India, you'll enjoy these benefits:**

- A one-year subscription to *Animal Times*, our inspiring and informative members' magazine
- Regular updates on our work to protect and liberate animals and the ways you can get involved

**Best of all, you'll know you've taken meaningful action to alleviate animal suffering.**
