Better School with Quality Education is now Every Child's Right

PM SHRI

Pradhan Mantri School for Rising India

A period of visionary change in the education system and infrastructure

In the first phase, 193 primary-level schools and 18 higher secondary-level schools in the state are being developed under the PM Shri scheme. An additional 52 schools have been approved for the next phase.

Preparation is underway to provide education with modern and transformative facilities in schools under the PM Shri Yojana.

Under the scheme, schools will be upgraded with components such as green schools, smart classrooms, digital libraries, modern laboratories, sports facilities, and career counseling.

Training for teachers will be arranged through better educational institutions and faculty to provide global-level education, with a provision of Rs. 60 crores in the budget for this purpose.
