inflation and unemployment, his approval ratings have reached stratospheric levels, as indicated by the latest INDIA TODAY-CVoter Mood of the Nation (MOTN) survey conducted in January 2023? Asked to assess his performance as prime minister, as many as 72 per cent of the respondents rated it as outstanding to good, an impressive nine percentage-point increase over the results in January 2022.

In politics, Modi has always batted on the front foot, combining the genius of Tendulkar with the grit of Dravid and the flamboyance of Sehwag. He also has the qualities of a great all-rounder like Kapil Dev who had the ability to swing the ball both ways in the air, foxing even the best batsmen, and then swing his bat to hurricane centuries. This is the fourth time since 2015 that Modi's popularity has crossed the 70 per cent mark—his lowest rating in these seven years being 54 per cent in August 2021. With his actions, Modi is able to elevate the performance of
