Q DO YOU BELIEVE MUSLIM MEN ARE MARRYING HINDU WOMEN AS PART OF A 'LOVE JIHAD' TO TURN INDIA INTO AN ISLAMIC STATE?

PhD scholar in Chennai getting arrested for inter-caste marriage after the girl's father complained. Such difficulties remain alarmingly high; in fact, the Delhi government had to set up safe houses to protect inter-caste couples from hate crimes. The Delhi High Court has also directed authorities to conduct more awareness programmes for inter-caste and inter-faith couples.

The latest findings also reflect a high demand for uniformity in civic life. Almost 57 per cent of the respondents believe that hijab should be banned in educational institutions, and nearly 70 per cent plump for a uniform civil code (UCC)—a set of personal laws that apply to all Indians regardless of religion. Just this month, the apex court dismissed a public interest litigation challenging the Gujarat and Uttarakhand governments' decisions to appoint committees to implement UCC.

There are areas in which the government has done well. Almost 67 per cent express satisfaction with what's being done to protect the environment. However, there is a decline in the number of those who believe women are safe in India. Around 43 per cent believe India is more safe for women, compared to nearly 50 per cent in August 2022, while 41 per cent believe it is less
