MyDNA
Discover. Empower. Transform.

Make your Family's health your Priority

Don't let the fear of the unknown hold you back. Confront genetic risks head-on with MyDNA

1 Pre-Test Counselling:

Before you embark on your genetic journey, arm yourself with knowledge. Start with a complimentary pre-test counselling session.

2 Take the Test:

Say goodbye to uncertainty and hello to clarity with our effortless saliva-based testing.

3 Get the Report:

Receive your personalised genetic report, a treasure trove of insights into your genetic health risks.

4 Free Genetic Counselling:

Our expert counsellors will guide you through your report, offering clarity and support as you navigate your genetic health journey.

5 Action Plan for a Healthy Future:

Elevate your genetic understanding with a secondary report curated by our genetic experts.

SUMMER OFFER
Flat ₹500* off
