

DUA LIPA

British-Albanian superstar and three-time Grammy-winner Dua Lipa made her India debut in 2019, performing at the OnePlus Music Festival in Mumbai's DY Patil Stadium. At the time, Lipa was a relative newcomer, having exploded onto the mainstream stage with 2017's self-titled debut album. With two more albums—and plenty more accolades—under her belt, Lipa is all set to return to Mumbai with her disco-leaning take on alternative-pop. She will perform at the Zomato Feeding India Concert, set to be held in Mumbai on November 30.

The legendary tenor **Plácido Domingo** will be in Mumbai with the opera competition Operalia, which makes its debut in India

From September 15-21, the world-renowned opera competition Operalia will make its historic debut in India, hosted by the National Centre for the Performing Arts (NCPA) in Mumbai. This marks the first time in the competition's 30-year history that it will be held in South Asia. Founded by legendary tenor Plácido Domingo in 1993, Operalia has been instrumental in discovering and nurturing young opera talent from around the globe. The choice of Mumbai as the venue underscores the city's growing significance as a cultural hub and the NCPA's commitment to promoting global artistic exchange.

Operalia has long been synonymous with excellence in opera, serving as a launchpad for the careers of some of the most celebrated opera singers of our time. Maestro Plácido Domingo, reflecting on the milestone, shared, "After 30 exciting years travelling the world since its foundation, it is my pleasure and privilege to bring Operalia to India for the very first time.... It is very special for me to return to Mumbai after many years away, a city where I made my debut singing at a concert in 2008 conducted by my dear friend Maestro Zubin Mehta, in honour of his father Mehli Mehta's centennial and his contribution to the classical music scene in India."

Khushroo N. Suntook, chairman of the NCPA and co-founder of the Symphony Orchestra of India (SOI), expressed his enthusiasm: "We are happy to associate with the great Plácido Domingo—whom I have listened to and admired for the last 30 years—and host Operalia 2024 in India. It is undoubtedly one of the most respected musical events globally, and we are certain that this will be a remarkable experience for the music-loving audience in the country."

For Suntook, the collaboration with Operalia represents an opportunity to introduce Indian audiences to the highest levels of operatic performance. "We look forward to welcoming Maestro Domingo, the jury members, participants, delegates, and musicians from different parts of the world to join us at the NCPA and present their operatic prowess. It will be the SOI's privilege to be a part of Operalia and create history yet again," he added. ■
