Budget 2023-24 Budget 2022-23 (In Rs crore)

*The revised estimate of 2022-23 was much higher at Rs 89,400 crore

BUDGET HIGHLIGHTS

CAPITAL EXPENDITURE

- Capital investment outlay increased by 33 per cent to Rs 10 lakh crore or 3.3 per cent of GDP
- The 50-year interest-free loan to state governments will continue for one more year with an outlay of Rs 1.3 lakh crore. It will have to be spent on capital expenditure within 2023-24
- States will be allowed a fiscal deficit of 3.5 per cent of GSDP, of which 0.5 per cent will be tied to power sector reforms

INFRASTRUCTURE DEVELOPMENT

- 100 critical transport infrastructure projects with an investment of Rs 75,000 crore, including Rs 15,000 crore from private sources
- 50 additional airports, heliports, water aerodromes and advance landing grounds will be revived

BANKING AND FINANCE

- The Banking Regulation Act, the Banking Companies Act and the Reserve Bank of India Act to be amended to improve bank governance
- SEBI will be empowered to develop, regulate, maintain, and enforce norms and standards for education in the National Institute of Securities Markets and to recognise award of degrees, diplomas, and certificates

AGRICULTURE

- Digital public infrastructure to help farmers access relevant information; an Agriculture Accelerator Fund to encourage agri-startups
- Steps to enhance the productivity of extra-long staple cotton
- Rs 2,200 crore for Atmanirbhar Clean Plant Programme to boost availability of disease-free, quality planting material for high-value horticultural crops
- To make India a global hub for *Shree Anna* or millets, the Indian Institute of Millet Research, Hyderabad, will be supported as the Centre of Excellence for sharing best practices, research, and technologies at the international level
- The agriculture credit target will be increased to Rs 20 lakh crore with focus on animal husbandry, dairy and fisheries
- 10,000 Bio-Input Resource Centres will be set up, creating a national-level distributed micro-fertiliser and pesticide manufacturing network
- A sub-scheme of PM Matsya Sampada Yojana to be launched with an investment of Rs 6,000 crore to support fishermen, fish vendors, and micro and small enterprises
- To enhance decentralised storage capacity, a large number of multipurpose cooperative societies, primary fishery societies and dairy cooperative societies will be set up in uncovered panchayats and villages in the next five years
- 'PM Programme for Restoration, Awareness, Nourishment and Amelioration of Mother Earth' to incentivise states to promote alternative fertilisers and balanced use of chemical fertilisers

EDUCATION

- The District Institutes of Education and Training will be developed for teachers' training
- A National Digital Library to make quality books available for children and adolescents
- 38,800 teachers and support staff to be recruited in the next three years for the 740 Eklavya Model Residential Schools, serving 350,000 tribal students
- Three centres of excellence for Artificial Intelligence will be set up in top educational institutions
- 100 labs for developing
