KONKAN EXPLORERS - Year Round

Goa has always been known for offering tourists the opportunity to participate in amazing water sports but has taken it a step further with its Konkan explorers project. Visitors to the state will now have the opportunity to enjoy nautical tours on our state-of-the-art yachting vessels built in New Zealand, especially for the Goan environment. What's more, on these tours, you can also indulge in a number of fun nautical activities to keep you and your family on the edge of your seats

So put on your life jackets, whip out your selfie sticks and get aboard Goa's most exciting new tourist vessel. Let's take a trip along our pristine coasts, winding rivers and dense mangroves. You can take the opportunity to get your feet wet by indulging in open-water swimming under the supervision of our experts. Or you could hop into our brand new kayaks to have an even closer look at the golden coastline and bring out your explorer's spirit as you navigate through thick mangrove forests. Don't forget to bring your swimwear!

PARAGLIDING AND PARAMOTORING - November to March

If you aren't afraid of heights, new paragliding and paramotoring experiences can also be enjoyed in the state. While you might have heard of paragliding, paramotoring is an experience that consists of a mini aircraft with two seats that carry the pilot and a passenger. Participants can enjoy breathtaking views of the Goan landscape and the unparalleled experience of freedom that can only be found in flight. You can take advantage of both these services from Arambol beach. With state-of-the-art safety precautions, you need not worry about your security, just enjoy the thrill of the experience. See you in the air!

SCUBA DIVING - October to April

Want to see the world through a fish's eyes? Now you don't have to leave India to enjoy the experience of breathing underwater. Enter a whole new world as you bubble past shoals of vibrant marine fish, coral and other creatures hidden by the depths. Visit Flying Fish, TripAdvisor's Travellers Choice Winner and Goa's official dive centre. Here, you can participate in PADI and SSI diving courses. Dives are organised in the pleasant waters off the renowned Grande Island where trained professionals will guide you through experiences which can last for up to 60 minutes. As long as you're over 10 years old and clear your medical exam, you too can live like a mermaid.
