Ace, now synonymous with excellence in NCR's real estate, embarked on this journey with a vision to transform the industry. With a humble beginning in Greater Noida, the group spread its wings across Noida Expressway, Greater Noida West, Gurgram and Yamuna Expressway. Over the years Ace has delivered some of the most renowned projects in the respective geographies. With the launch of its every project, Ace has given a new dimension to luxury. Each project by Ace has best in class amenities to offer to its residents and occupants. The group also works towards sustainability by following green building norms and various environment friendly practices. Ace is also working on a few projects in collaboration with some of the best brands in Indian real estate. Since its inception the group has always focussed on the fundamental ethics of working with transparency by delivering projects on time with zero deviations in the quality. Today, Ace is known for its landmark projects that stand tall among the skylines of Noida, Greater Noida and Gurugram.
