transforming for good

ANIL AGARWAL FOUNDATION | Nand Ghar by vedanta

My friends ensured I never slept hungry. That's why, I could nurture my acting dreams.

Acting requires rehearsing for long hours which can be tough, especially on an empty stomach. During my days of struggle, my friends ensured I didn't have to worry about food, else I wouldn't have made it as an actor. Nand Ghar too is committed to providing our children a chance at realizing their potential by looking after their health and nutritional needs.
