

Joy of Juniper is designed around the primary botanical juniper berry. It is a clean and clear spirit incorporating mood-elevating aromas of lively indigenous juniper berries from the Himalayas along with juniper berries from Europe. A fruity hint of orange peel, and juniper are well complemented by flavourful seeds such as coriander, nutmeg, pepper, cinnamon, star anise, cardamom along with aromatic notes of ginger and basil. Depth and complexity of the product is added by liquorice and ashwagandha.

Joy of Citrus transports one to the world of refreshing flavours of citrus. Designed around the primary botanicals juniper berry & citrus fruits, this elegant and delicious clear spirit bursts with vibrant citrus peel from gandharaj lemon, grapefruit along with lemongrass and leaves of lemons making it refreshing to its core. The citrus-forward classic craft is zesty with a dash of sweet orange giving way to a wonderfully smooth finish. The rich blend of coriander, star anise, nutmeg, pepper with the depth of angelica, liquorice, cinnamon add a lingering note which elevates one's happiness quotient.

Joy of Pink is a delightful and colourful, combination of contemporary flavours that delicately balances fruity with subtle floral notes from rose and hibiscus. Infused with grapefruits, orange peel, strawberries, the profile of this lively spirit is deeply flavoursome. The gentle spiciness of pink pepper, fennel, caraway along with barks of cinnamon and earthy notes of ashwagandha, liquorice, angelica elevates the drink's character, presenting a contemporary and subtly sweet profile. Designed around the primary botanicals juniper berry, pink fruits and flowers, this bottle of happiness has a floral forward classic craft with an additional blend of coriander, nutmeg, caraway and more.

The happiness quotient of the bottles lies in the careful mix of handpicked Indian herbs. Every bottle of happiness encapsulates the spirit imbued with intricate layers of flavours, presenting a beautifully aromatic spirit with a distinct taste. The alluring flavours contain juniper which facilitates sleep and relaxation while ashwagandha elevates spirit and enhances mood. Ginger is an effective pain reliever and may help improve memory. Pepper promotes delight while liquorice and coriander help in reducing negative emotions. Gandharaj lemon and orange peels are perfect stress busters. Grapefruit, lemongrass, and strawberries are great energizers and happy mood inducers. Caraway helps to pacify all three doshas as per ayurveda. Rose petals reduce feelings of anxiety while hibiscus refreshes the mind.

Each sip of 'Happiness in a Bottle' is a combination of the goodness of these botanicals. From floral fizzes to herbal infusions, the possibilities are as vast and varied as the botanical kingdom itself. The wide-ranging mixological creations elevate the spirit to new heights, proving that it is not just a drink but an experience.

Inspired by nature's bounty, carefully selected, and handcrafted, each batch ensures a level of quality and uniqueness that sets these elixirs apart from the mainstream. In the world of distilled spirits, this elixir is a blissful celebration of the botanical tapestry that graces our planet, transformed into a liquid symphony for the discerning palate. As one embarks on a journey through the world of spirits, consider indulging in the joy of this botanical elixir – an ode to pure happiness in every sip.
