▲ FINANCE: A YEN FOR JAPANESE INVESTMENTS

"With an increase in India's per capita income, Japanese firms will see chances for make in and for India"

KANAV MONGA
MD, Virgo Corporation

"Japanese businesses must know more about India and vice versa. More human interaction can help"

SUZUKI TAKASHI
Chief Director General, Jetro India

"Every day innovation is disrupting industries in India, creating markets for Japanese firms"

MAYUR SHAH
Head, Business Development, Beyond Next Ventures

"India is home to the third-largest investment hub for start-ups. Many of them are of good quality"

KENTA YOSHIDA
Director, MUFG Bank

"After Covid, more business visas need to be given for business leaders"

TOSHIHIKO KURIHARA
Chief Representative, Japan Bank for International Cooperation

▶ AUTO INDUSTRY: REVVING UP FOR THE CHALLENGE

"Auto component manufacturers like us are adaptive. During Covid we first started supplying to customers globally. Indian partners bring resources, methods; Japanese bring technology and experience"

SHRADHA SURI MARWAH
CMD, Subros Ltd

"India is all set to look outward. With local manufacturing, standard regulation and policies and a global market, India will be able to cater to a worldwide demand"

PRASHANT K. BANERJEE
Executive Director, SIAM
