THE BEST OF INDIA

ARTISTS

A GALLERY OF GREATS

Breathing modernity into an ancient canvas needed a kind of mindful iconoclasm. Ten masters who did it in ways personal, political, spiritual...

By **GILES TILLOTSON**

Art historian and Senior VP, Exhibitions & Publications, DAG, New Delhi

Far more urban Indians engage with modern art today than they did in 1947. Back then, only a handful of critics (including foreign residents) were alert to the stirrings among India's young artists; now, almost anyone can rattle off the names of half a dozen eminent 20th-century masters, and some of them may even know the prices they command at auctions. This change makes the task of choosing 'ten of the best' even harder. It is like that game of selecting a dream cricket
