3,000
SQ. M.
The area of the game zone, which includes an outdoor go-karting track

150–200
People inside the facility at any given time during the day due to summer vacations

95%
of the victims were under 25 years of age; 27 people, including seven minors, are still missing. Charred bodies being identified with DNA tests, missing key accused Prakash Hiran among those dead

GLARING OMISSIONS

- **Fire NOC:** Never applied
- **Land use:** Game zone land was allocated for residential purposes, commercial activity was not allowed
- **Building use permission:** No (not applicable as it was a temporary structure, being used by exploiting General Development Control Regulations or GDCR loopholes)
- **Police permission:** Yes. Ticketing permission granted, renewed in January 2024

BURNING **QUESTIONS**

- How did the game zone operate without requisite fire NOC?
- Why did the local police department give it ticketing permission without fire NOC?
- Why did the fire department not alert the municipal corporation of the dangers of such a facility, frequented by hundreds of people, operating without fire permission?
- How did the illegal facility get to store so much diesel and petrol, a controlled fuel?
- Why did the municipal corporation not take action despite it not having building use permission?

ACTION AGAINST GOVT OFFICIALS

- 3 IPS officers, including Rajkot commissioner of police and deputy commissioner of police, transferred
- Municipal commissioner, an IAS officer, transferred
- Seven junior officers in the municipal corporation, police, and fire & emergency services suspended

Note: No government official has been held accountable for criminal negligence, or even been mentioned in the FIR
