▼ INDUSTRY: THE BIG GROWTH AREAS

"We are trying to position Odisha at the forefront of this new wave of investments happening across the world"

HEMANT SHARMA
Principal Secretary, Industries Department, Odisha

"We are betting that with the infusion of solar, green energy, ammonia, hydrogen and wind, we can stabilise a lot of the CO_2 emissions and we can register it within limits"

PRATAP KESHARI DEB
Minister for Energy, Industries, Micro, Small & Medium Enterprises

"More focus needed on not just the new-age sectors, but new tech, newer technology-backed industries, whether it is industry 4.0-related or AI-, ML-based investments, tied with skill development for the state"

SUBHRAKANT PANDA
MD, Indian Metals and Ferro Alloys Ltd and immediate past-president, FICCI

"We need more container facilities at our ports and focus on skill development, especially in the marine sector"

ADITYA DASH
Managing Director, The Suryo Group

NEW HUB OF INDIAN SPORTS

2 3

❶ **"The target is to grow beyond hockey. Football and athletics are focused. The chief minister wants to develop indigenous sports as well. Hence disciplines like kho kho and kabaddi are also being developed"**

TUSHARKANTI BEHERA Minister of State, Sports and Youth Services (independent charge)

❷ **"The setting up of a sports research centre is necessary. One which will create a lot of sports persons, sports coaches and sports techniques"**

SRABANI NANDA Athlete

❸ **"Education, especially the learning of English, is being focussed upon. At the High Performance Centre in Kalinga Stadium, every player is taught English"**

DAVID JOHN Director, Hockey Odisha
