UTTAR PRADESH BECAME UTTAM PRADESH FOR INVESTORS

"Today UP has all those things which are essential for the development of industries in any state. Now the government is taking quick decisions, the confusion in policy making has ended and the law and order and infrastructure facilities have become strong. This is a good sign for the country."

— Amit Shah, Union Home Minister and cooperative Minister

The manner in which the leading business Tycoons and foreign investors showed interest in the Global Investors Summit, it approves the good governance of Yogi Adityanath government and UP has emerged as favourite destination for investors. There is a government in state which is giving good governance as well as providing political stability. State which is rich in natural resources is now a leading state with zero tolerance against corruption, biggest consumer market, single window portal investment, ease of doing business and investment friendly policies. In all aspects Uttar Pradesh is the best place for investment. Prime Minister Narendra Modi has set the target of making India five trillion dollar economy and UP has taken the pledge to contribute 20% in it.

According to the vision of Prime Minister Narendra Modi, Chief Minister Yogi Adityanath is working on war footing to make Uttar Pradesh as one trillion dollar economy state and the growth engine of country's development. The grand success of Global Investor Summit is an important step towards this direction.

MSME SECTOR GOT ITS IDENTITY

MSME sector of the state got new identity during the last 6 years tenure of CM Yogi Adityanath. Uttar Pradesh has a big base of MSME more than 95 lakh units are registered here. Chief Minister Yogi Adityanath frequently and proudly mention this in his rallies and meetings.

As per his wish, the base of this MSME sector is going to increase after UP Global Investors Summit. Many industrialists have shown their interest in investing in this sector on large scale. The interesting fact is that out of the more than 19000 MoUs which were signed by the state government in UPGIS, more than 9000 of it were related to MSME sector only. This will create job opportunities for 18 lakh people in state.

Uttar Pradesh government had initially set the investment target of Rs 1 lakh crore for this sector and later increased it to Rs 1.25 lakh crore.

After meetings of investors organised at district and division level inside the Uttar Pradesh and till the end of the main function of UPGIS, a total of 8829 have been signed in this sector which worth Rs 1.3 lakh crore.

Uttar Pradesh has become a centre of hope for the new India. Under the leadership of Chief Minister Yogi Adityanath golden era in Uttar Pradesh has started. We will together convert the state of biggest population into the most prosperous state.

— Mukesh Ambani, Chairman Reliance industries

The statement given by Prime Minister Narendra Modi is now becoming true that UP plus Yogi, Bahut hai 'UPYOGI'. Uttar Pradesh has become Uttam Pradesh for the investors. Under the leadership of Chief Minister Yogi Adityanath the state is witnessing incredible development.

— Kumar Mangalam, Chairman, Aditya Birla group

The state and the country have the strong and visionary leadership now. Today more than 50,000 people are working in Tata sons in Uttar Pradesh. We are expanding our companies after the investment friendly atmosphere developed in the state in recent years.

— N Chandrashekharn, Chairman, Tata sons
