

STATE ALL SET TO IMPLEMENT INVESTMENT PROPOSALS

"Currently there is a government in Uttar Pradesh which is taking decisions. The political stability is very helpful for investors. UP is capable and all set to become the growth engine of India."

— Droupadi Murmu,The President of India

After organising Global investor Summit between 10th to 12th February in Lucknow and receiving the investment proposals of more than Rs 34 lakh crore, Chief Minister Yogi Adityanath is now preparing to implement these investment proposals. 10 country partners, more than 1000 representatives of 40 countries, 4 ministers of partner countries, 17 Union ministers, 5 ambassadors and more than 25000 delegates along with National and international investors and other dignitaries participated enthusiastically in this event. This function is going to become an important junction in making the state one trillion dollar economy.

FORMATION OF IMPLEMENTATION UNIT

To bring these investment proposals on ground, it is necessary that a consistent dialogue should be maintained with the investors to implement their proposals and their needs/aspirations should be taken care of. It should be ensured that all the investors must get appropriate response. With this intention, Chief Minister Yogi Adityanath has directed to form Investment Implementation Units in all departments for the continuous monitoring and implementation of the investment proposals. Secretary level officer will head this committee.

The Chief Minister has also directed to nominate a nodal Officer for every MoU. The Unit will be responsible for the dialogue and connection with the investor and the investment proposal related to its department. Along with it, officers of special secretary rank and above will be given responsibility of sector-wise and investment proposal wise review. The progress of this work will be the certificate of the ability of related Officer. There will be a deadline for each and every proposal.

"The conducive environment for investment has been prepared in Uttar Pradesh according to the Prime Minister Minister's vision of Reform, Perform and Transform. We are ready to implement the investment proposals and it will be done in a very fast way."

— Yogi Adityanath, Chief Minister, UP

TAKING HELP OF PROFESSIONALS

For the convenience of the investors, Chief Minister Yogi Adityanath has directed to appoint Udyami Mitra under the Chief Minister Udyami Mitra scheme. 10 Udyami Mitras will be appointed at National level.

"Today the Yogi government has made UP completely investment friendly. UP will work to implement the vision of the Government of India in the field of defence. The UP Defence Corridor will prove to be a self-reliant and heightening runway for India's defence sector."

— Rajnath Singh, Union Defence Minister
