MADUGAI
AN INITIATIVE OF
SATHYABAMA

Dr Mariazeena Johnson, Chancellor of Sathyabama Institute of Science and Technology started a project "Madugai – The Strength" for Government school girl students and women, in which "Health and Hygiene" kits are provided to girl students and women in the suburbs of Chennai.

Sathyabama Institute of Science and Technology (Deemed to be University) is one of India's premier Academic and Research universities that offers multi-disciplinary academic programmes in various fields of Engineering, Science, Technology, Architecture, Law, Pharmacy, Dental, Nursing, Management, Arts, Science, Physiotherapy, Allied Health Sciences and Hotel Management. The institution was established in 1987 by Founder Chancellor Dr. Jeppiaar under Sec. 3 of the UGC Act, 1956. It is recognized as a Category I university by UGC, is Accredited with 'A++' Grade by the National Accreditation and Assessment Council and has also received ABET Accreditation. Sathyabama's standing in rankings and ratings is unique at the National as well as the International level. There are 15 research centres exploring scientific talent. The institution is known for women's empowerment, wherein 85 percent of women are in hierarchical positions and 70 percent of the faculty comprises of women. An innovation ecosystem is prevalent in the institution with a growing number of student startups. There are 150+ International collaborations, which have opened up several opportunities for students and faculty. The Institution has been ranked as one of the premier Universities for the last eight consecutive years in the NIRF ranking of the Ministry of Education.

In the Chancellor's words, the Madugai project "aims at nourishing pre-adolescent girl children and women, and will help high school going girls and women to maintain health and hygiene. We are happy to associate with Ms. Nayanthara for this noble cause. She being the brand ambassador of the institution is an honour for us."

Ms. Nayanthara expressed her joy and pride during her address, stating, "I am happy and proud to be associated with such a prestigious university as Sathyabama. I am glad that the institution is undertaking a socially conscious project like Madugai. I take pride in how Sathyabama reaches out to the needy and socially weaker sections of society through Madugai. I eagerly anticipate what the institution will do next for society." Recently, she also congratulated the university on achieving Category 1 status and extended her wishes for more accolades in the near future.

These health and hygiene kits are delivered to 21 adopted schools of the institution, wherein 1,000 beneficiaries are being served in the first phase. The project is serving as a very big support to the girls of pre-adolescent age as well as women.
