SHRI VISHNU DEO SAI
Chief Minister, Chhattisgarh

We are happy because the promises made to farmers have been fulfilled. We've received two years of pending bonuses.

We are happy because the new education policy allows us to study in our local dialects. Thanks to Vishnu Deo government for making our studies easier.

We are happy because we sell our paddy at ₹3100 per quintal, the highest price in India, to the government & a record 145 lakh metric tonnes of paddy has been purchased in the state this year.

We are happy because after many years we have got our own pucca house under the Pradhan Mantri Awas Yojana.

We are happy because, like us, 70 lakh sisters in the state receive ₹1000 per month from the Mahatari Vandan Yojana, making us self-reliant.

We are happy because our hard work has been honoured. The increase in the Tendupatta collectors remuneration rate from ₹4000 to ₹5500 has strengthened us economically. Green gold has now become pristine gold.

We are happy because the age limit for the youth in all government recruitment has been relaxed by 5 years. New avenues for employment has been opened up.

We are happy because thousands of people can meet the head of the state in Jandarshan and get quick solutions to their problems.

We are happy because swift action is being taken against corruption in the state. The zero-tolerance policy of the Vishnu Deo government is bringing good governance.

We are happy because, under the Ramlala Darshan Yojana, we have earned the blessings of lord Rama by visiting Ayodhya-Kashi.
