

Minister Pushkar Singh Dhami through these road shows was that the state government received many big investment proposals even before the summit was started. The Dhami government signed MoUs for investment of Rs 26,575 crore in Delhi on September 14-October 4, 2023, Rs 12,500 crore in London on September 26-28 and Rs 15,475 crore in Dubai on October 17-18. During the road show, MoUs worth Rs 10,150 crore were signed in Chennai on 26 October, Rs 4,600 crore in Bengaluru on 28 October, Rs 24,000 crore in Ahmedabad on 1 November and Rs 30,200 crore in Mumbai on 6 November.

REGIONAL INVESTORS CONCLAVE

With the aim of encouraging all small and big entrepreneurs of Uttarakhand state to invest in the state, District Level Investors Summit was organized from 17 to 30 November in all 9 districts of the state. In this series, Regional Investors Conclave was organized in Haridwar of Dehradun-Haridwar district and in Rudrapur of Nainital-Udham Singh Nagar. Preparations were made on a large scale in the state capital Dehradun for this international program.

PROJECTS WORTH RS 44,000 CRORE STARTED

This year the Uttarakhand government had set a target of 100 percent grounding. Projects worth Rs 44,000 crore were launched by Prime Minister Shri Narendra Modi through ground breaking ceremony during the inaugural session of Uttarakhand Global Investors Summit 2023. These projects include 16 projects related to manufacturing and tourism infrastructure sectors. The launch of projects worth Rs 44,000 crore on the first day of the Investors Summit will open new employment opportunities along with the economic momentum of the state.

EXCELLENT INVESTMENT ENVIRONMENT

The enthusiasm of investors to invest in Uttarakhand shows that Uttarakhand has better business environment, good law and order, investment friendly and simple policies, better connectivity, better health and all other necessary facilities. Along with this, there is the guarantee of Prime Minister Shri Narendra Modi and the dedication of young Chief Minister Shri Pushkar Singh Dhami. State of art facilities are giving new energy and new inspiration to investors to invest in the state.

WAYS TO INCREASE INVESTMENT

With the aim of increasing investment in Uttarakhand, 'Invest Mitras' have been appointed in various sectors of the state. All these Mitras are acting as 'single point of contact' for entrepreneurs with capital investment of more than Rs 5 crore. In recent years, transport routes in Uttarakhand have expanded rapidly. Uttarakhand is creating its own identity in the field of connectivity by development of new airports, expansion of new railway lines, construction of dedicated freight corridors, heliports and ropeways. The day is not far when the distance from Delhi to Dehradun will be only of two and a half hours.

'HOUSE OF HIMALAYAS'

'House of Himalayas' brand was launched by Prime Minister Shri Narendra Modi during the Investors Summit. This new initiative has been taken to give a new identity to the products of Uttarakhand in the international market. With this, the products of women and self-help groups will now get global recognition and a wider market. With this important effort of the state government, the problem of branding of the products prepared by 5.25 lakh women associated with more than 65,000 women self-help groups of Uttarakhand will now be resolved. After a lot of hard work, the state government has created 'House of Himalayas' as an 'umbrella brand' for these products. This initiative will empower the women of the state. House of Himalayas will help in transforming the products of Uttarakhand from 'Vocal for Local' to 'Local to Global'.
