The latest report of NITI Aayog, "National Multidimensional Poverty Index: A Progress Review 2023," highlights the positive outcomes of poverty alleviation initiatives undertaken by the Central government led by Narendra Modi and the Uttar Pradesh government led by Yogi Adityanath.

According to the NITI Aayog report, while a record **13.5** crore people in India have come out of multidimensional poverty between 2015-16 and 2019-21, **3.43** crore people in Uttar Pradesh have succeeded in overcoming multidimensional poverty.

The report says that the sharpest decline in the proportion of multidimensional poverty has been recorded in Uttar Pradesh. The proportion of people living in poverty in the state has decreased from **37.68%** in 2015-16 to **22.93%** in 2019-21.
