MURLI KRISHNA PHARMA PVT. LTD.

DR. SATYA VADLAMANI

SPEARHEADING THE NEW AGE OF THE INDIA PHARMA INDUSTRY

Dr. Satya Ramani Vadlamani is the Chairperson and the Managing Director of Murli Krishna Pharma Private Ltd., a young and dynamic NanoSphere Innovations company in India that provides a range of effective solutions to optimize the delivery of pharmaceutical products.

Dr. Satya Vadlamani & Dr. Vijay K. Shastri established Murli Krishna Pharma Private Ltd.(MKPPL) in early 2004. Driven by the vision to provide the best possible range of international quality products at competitive prices through integration, research, innovation, technology & development, they have established global standards of excellence that is bring them accolades from across the world.

Today, MKPPL 's capabilities encompass cutting-edge technologies such as nanoparticles and nano encapsulations. Its expertise extends to diverse therapeutic areas, including ophthalmology, corticosteroids, oncology, transdermal applications, and oral solid dosage products. The transformational journey showcases its relentless pursuit of progress. Dr. Satya's unstinted focus on research and development has ensured that it has a significant number of patents, underscoring its prowess in intellectual property. The company's bet on aqueous-based technologies has further propelled its advancements.

Dr. Satya is driving MKPPL to global recognition as a leading provider of innovative drug delivery systems. She emphasises that the organisation's aim is to establish itself at the pinnacle of the field worldwide. She says, "Our plant is approved for manufacturing by European Union & for GMP Compliance by the WHO. MKKPL is equipped to undertake formulation development projects on oral NDDS. Our R&D facility is recently approved by DSIRT".

Dr. Satya has a long-term goal for MKPPL - to emerge a frontrunner within the next five years. The company's strategy revolves around introducing a plethora of cutting-edge technologies to the market. She states, "We have a world-class oral solid dosage form manufacturing facility for Pellets, Micro-Pellets and Granules approved by regulatory authorities of developed countries. We want to carve out a niche in the field of Novel Drug Delivery System (NDDS) & would like to be known as one of the Leading Global Research Based, Drug Delivery Companies, with an expertise in novel drug delivery systems, constantly strive towards building and strengthening upon our intellectual property".

The company plans to establish a scientific office in Dubai. There are plans to set up corporate offices in the United States, the Netherlands and Germany. These strategic moves reflect the company's global growth strategy, to metamorphose into a multifaceted global organisation. Dr. Satya adds, "Today, Murli Krishna Pharma is dedicated to achieving the highest levels of quality in everything we do to measure up to the high standard set by the customer, local & overseas customers, every time. We deliver world class products as per the set schedules with excellent quality at a very competitive price. Our strength lies in our ability to provide a tailored solution to fulfill the specific needs of the customer in question".

DR. SATYA VADLAMANI

When an engineer with a marketing background in the pharma industry decides to become an entrepreneur, think beyond profits. Expect a logical progression that encompasses the entire chain and drives in new standards in the industry. Dr. Satya Vadlamani is the protagonist in our case.

Under Dr. Satya's leadership, MKPPL's has risen to stake its claim as a notable player in the industry. She shares, "With a client base of 200+ with more than 64 leading international companies and a turnover exceeding US$ 6 Million, our performance speaks of our capabilities with a cumulative growth of over 60% from the last 3 Years".

MKPPL has been a recipient of many honours including the prestigious Make in India Award in 2016, both in the biopharmaceutical and pharmaceutical categories. Presented by Ms. Nirmala Sitharaman, the then Minister of Industries, it underscores MKPPL's outstanding contribution to the pharmaceutical sector and commitment to the principles of the Make in India initiative. Dr. Satya personally has been honoured by the Times Group with the Times Exemplary Leader Award in 2023.

This is just a start of an epoch journey, we say!
