

AMIT PORWAL

Amit Porwal, the creative virtuoso behind Icon Projects Inspace Pvt Ltd (IPIPL), unfolds a design epic that began in the vibrant tapestry of Mumbai nearly two decades ago. Porwal has evolved into a luminary, weaving masterpieces that transcend mere interiors, breathing life into spaces with an alchemical touch. His brainchild, IPIPL, is a testament to an unwavering commitment to design principles that elevate and transform the essence of living.

Porwal, a true visionary, draws inspiration from the unique narratives of his clients, crafting ingenious solutions that redefine the very fabric of lifestyles. Versatility is the soul of his design philosophy, rooted in acute observations and propelled by boundless creativity.

Beyond opulent interiors, Porwal's creative empire extends into construction and bespoke furniture realms. Guiding a cadre of in-house experts, he conducts a symphony through IPIPL delivering high-functioning design solutions across diverse verticals.

Recent triumphs in Dubai mark the beginning of Porwal's global design odyssey, with sights set on uncharted territories in Africa. As January 2023 approaches, the midpoint between his Bronze and Silver Jubilees, Porwal aspires to epitomize modern luxury living on the global stage.

Awards, including the D/List award 2023, Ace of Space 2023 Smart Space Award, FOAID, and Grohe India Bath & Design Awards, adorn Porwal's achievements. Yet, his true wealth lies in his dynamic team—a harmonious blend of youthful exuberance and seasoned expertise, reflecting not just efficiency but a shared passion for exceptional design.

Celebrating two decades in the design realm, Porwal rightfully claims his position as the unrivaled orchestrator of aesthetic symphonies, transcending the mere title of a designer to affirm his essence as a compassionate artisan of human experiences.

SHILPI SONAR – Creations

Shilpi Sonar, a prolific name that is respected across Indian Design Community. For the last 35 years, Shilpi has been at the forefront of reinventing and uplifting lifestyle in and around Chhattisgarh and Central India through her firm Creations.

Shilpi began her journey in the year 1988, as young graduate of LAD College, Nagpur with dreams of creating new spaces that could spark warmth. She got her big break in the year 1989, where she was appointed by Larsen and Toubro to execute and liaison the Hirmi Cement Plant, near Raipur. The magnanimous project had approximately 750 buildings including guest houses, clubhouses, polyclinics, temples and various housing typologies.

After this, in the year 1997 Shilpi decided to settle in Raipur, which was formerly a small town in the state of Madhya Pradesh. Creations had its first official address.

In the year 2000, Raipur became the capital of the state Chhattisgarh, and Shilpi took the charge to guide the city towards a better lifestyle. From the Municipal Corporation Buildings, CM House and various prominent residences to hospitals, hotels, schools and offices, Shilpi and her team Creations have now successfully completed over 3500 projects in this duration.

In the year 2010, Shilpi along with her husband, Mr N.C. Sonar started Aesthetic Design Institute in Raipur, bringing quality interior and fashion education to the state of Chhattisgarh. Over 3000 students have graduated from the institute and are now flourishing across the world.

Lauded with accolades from both national and international institutions throughout her life, Shilpi is always determined to make sure that women always get an opportunity to prove their worth. Her journey has inspired a whole generation of designers in the state of Chhattisgarh.
