The Gujarat Tourism Policy, introduced in 2021, provides capital and interest subsidies, including a 15-20% capital subsidy for constructing hotels, amusement parks, and wellness resorts, along with a 5-7% interest subsidy.

Continuing these efforts by introducing the Cinematic Tourism Policy, the State Government is organising the Filmfare Awards in Gujarat for the first time in January 2024.

As a part of Viksit Bharat @2047 resolutions of a developed India vision of our Honourable Prime Minister Shri Narendra Modi, the Government of Gujarat is developing certain regions having a unique identity as Iconic Destinations. Following the successful model of Statue of Unity, Gujarat Tourism has identified various regions across all geographical boundaries of Gujarat which need to be developed as part of the Iconic initiative. This focused approach will not only boost the Indian economy but also promote Gujarat Tourism at the Global Stage and provide an opportunity to attract more foreign tourists from around the world.

Other notable work is development of tent cities at various tourist destinations such as Nadabet, Shivrajpur, Mandvi, Dholavira, Polo, Kadana Dam, Dhordo, Statue of Unity and Dharoi.
