TO LEAD THE FUTURE

APARNA IS CREATING IMPACT TODAY

SETTING BENCHMARKS IN QUALITY

From RMC to tiles, windows and doors, Aparna's backward integration capabilities enable strict quality control during construction and elevate the benchmarks in quality across the industry.

BEYOND HOMES; CREATING DESTINATIONS

Aparna has created large-scale residential destinations in Hyderabad, including Nallagandla, in the IT corridor and Gundlapochampalli in the North – both bustling cosmopolitan hubs today.

GENERATING VALUE CONSISTENTLY

High quality standards and the goodwill earned by brand Aparna in the past 27 years have consistently generated healthy returns on investment across residential and plotting projects.

BUILDING SUSTAINABLY

Aparna has been proactive in adopting green technologies in all its gated communities.
In fact, Aparna Sarovar Grande was the first residential project to receive the IGBC Platinum Green rating in Telangana.
