Led by Hon'ble Chief Minister of Gujarat, Shri Bhupendrabhai Patel, a high-level delegation visited Japan and Singapore to promote the Vibrant Gujarat Global Summit (VGGS) 2024. The delegation sought to bring to the fore Gujarat's focus on being a future-ready growth model driven by visionary initiatives toward attaining self-reliance, and extend invitations to participate in VGGS 2024.

DAY 1
November 26, 2023

Gujarat's Shine in the land of the Rising Sun

Japan remains a crucial partner in the development of Gujarat. Strong cultural, social and economic ties drive strong cooperation between Japan and Gujarat. The agenda included series of one-to-one meetings with Hon'ble Minister of Japan, Governors of various prefectures, and leading industrialists, along with a VGGS 2024 Roadshow. Speaking in Japan, Shri Bhupendrabhai Patel lauded VGGS initiated by Shri Narendra Modi in 2003 during his tenure as the Chief Minister of Gujarat. It has become a hallmark of Gujarat's global development, marking two decades of success.

DAY 1
November 26, 2023

Providing greater thrust to Gujarat's Green Hydrogen efforts

The day's interactions involved fostering new investments while providing fresh opportunities for Japan-Gujarat relations in renewable energy and Green Hydrogen sectors. During the meeting with Mr. Kotaro Nagasaki, Governor of Yamanashi, he gave a detailed presentation on the new initiatives adopted by Japan in the Green Hydrogen sector.

> Gujarat, beyond being a manufacturing and an auto hub, is now poised to become a centre for advancements in emerging sectors such as Green Hydrogen, semiconductors and E-mobility.
