

"All crises of our times, from climate change to conflict, have been led by men who won't change. Women need to unite to change that"

DIA MIRZA
Actress-producer, eco-investor

"Women should persevere, not be afraid of failure. My priority is to save lives of women and children by bringing down maternal mortality"

SWATI PIRAMAL
Vice-chairperson, Piramal Group

"A gender inclusive culture is one of our priorities. This fiscal year, 87 per cent of those we hired at the senior management level are women"

ANISH SHAH
Group CEO & MD, Mahindra Group

"I was passed over only because I was a woman. I grew up resilient. Like stringing a musical instrument, we need to develop perfect tautness"

R.M. VISHAKHA
CEO, IndiaFirst Life Insurance

"Women have an innate quality of honesty, loyalty and ethics. The emotion and sensitivity they bring to every subject make an impact"

POONAM MAHAJAN
Politician & MP, BJP
