

Despite Mamata Banerjee's TMC going solo, the Left parties contesting against the Congress in Kerala and Nitish Kumar shifting to the NDA, Congress's Sachin Pilot says the alliance is looking at 272. NC's Omar Abdullah and AAP's Atishi do not share the enthusiasm

The primary narrative of the I.N.D.I.A. bloc is that democracy is in danger under the Modi regime and they have come together to protect the Constitution. They are also raising issues of unemployment, economic hardship and farmers' distress

"We (I.N.D.I.A.) have come together because we believe there's a larger crisis in this country, a larger battle for the Constitution of this country. That said, it does not make it easy to set aside differences and past relationships the parties might have had"

"THERE ARE ENOUGH PEOPLE WHO'LL TELL YOU THAT IF THE BJP COMES BACK TO POWER, THERE'S **NEVER GOING TO BE ANY ELECTION AND THAT THERE'S GOING TO BE NO OTHER POLITICAL PARTY.** THE FACT THAT THIS IS ALREADY CIRCULATING ON WHATSAPP IS AN INDICATOR OF THE DIRECTION THE RULING PARTY OF THIS COUNTRY IS THINKING"

Minister of Education, PWD, Power, Tourism, Women and Child Development, Art, Culture and Language, Delhi government

Despite all this talk about one nation, one election, the Election Commission of India, the government in J&K, and the Union government have failed to put their money where their mouths are. This was an ideal time to roll out the process of one nation, one election. The Union government is busy telling the whole world that everything is so much better in Jammu and Kashmir. Let's have those elections and see how much better things are

I THINK THE ONE MISTAKE WE MAKE FROM TIME TO TIME IS THAT WE ARE SEEN TO BE ANTI-MODI. **IT BOOMERANGS ON US EVERY TIME. IT DOES NOT WORK. WATCHMAN IS A THIEF DIDN'T WORK. ADANI-AMBANI DOESN'T WORK.** FOR WHATEVER REASON, THE MAN SEEMS TO BE COATED IN TEFLON, NOTHING THAT YOU SAY STICKS
