THE LAUNCH EVENT OF THE MAHINDRA RISE INITIATIVE, ORGANISED BY THE INDIA TODAY GROUP AND MAHINDRA & MAHINDRA, HONOURED WOMEN TRAILBLAZERS WHO ARE LEADING THE CHARGE FOR A BETTER INDIA

By Aditi Pai

There were plenty of tales of resilience, perseverance and immense mental/ physical strength, of turning struggles into triumphs, as the winners gathered for the 'Drivers of Change' event on March 8, International Women's Day, in Mumbai. Organised by the India Today Group in collaboration with Mahindra & Mahindra Ltd., India's leading SUV manufacturer, the event saw women trailblazers from different fields—corporate leaders, special forces' trainers, scientists, social activists, politicians, actors and musicians come together to recount inspiring stories of their struggles and successes. As they narrated their life stories, the message was clear: when women take the lead, the world moves forward. The event also saw the launch of the landmark Mahindra Rise Drivers of Change initiative. In line with the Centre's 'Viksit Bharat' goal, the initiative aims to recognise and honour women
