DAYANAND MEDICAL COLLEGE & HOSPITAL, LUDHIANA (PUNJAB)

Dayanand Medical College & Hospital (DMC&H) in Ludhiana (Punjab) stands as a beacon of excellence in medical education and healthcare services in North India. Starting its journey in 1934, the institution is Known for its state-of-the-art infrastructure, comprehensive course offerings, and a rich history of achievements, DMC & Hospital continues to be a preferred choice for students and patients alike. From its highly esteemed college and specialized units like the Hero DMC Heart Institute and DMC&H Cancer Care Centre, Dayanand Medical College & Hospital has established itself as one of the premier institution in India.

THE COLLEGE (TEACHING COURSES)

Dayanand Medical College (DMC) is renowned for its robust educational framework, which is equipped with advanced infrastructure to support a wide array of medical courses. The institution offers MBBS at the undergraduate level, MD and MS courses at the postgraduate level, and DM and M.CH courses at the super-specialty level. Affiliated with Baba Farid University of Health Sciences, Faridkot, and recognized by the National Medical Commission (NMC), DMC is a preferred destination for medical students from India and abroad.

The college offers 100 seats per year for the MBBS program, 98 seats per year across 19 MD/MS courses, and 24 seats per year across nine DM/MCh courses. Additionally, there are five seats available for the MPhil in Clinical Psychology, 135 seats per year for BSc, and 100 seats per year for paramedical diploma courses across ten specializations.

THE MAIN HOSPITAL

Dayanand Medical College & Hospital is operated by a registered charitable society, ensuring that all earnings are reinvested into the institution for continuous improvement in patient care. The hospital serves as a preferred healthcare destination for people from Punjab and the surrounding states of Himachal Pradesh, Haryana, Rajasthan, Jammu & Kashmir, and Chandigarh, as well as NRIs.

The hospital is a 1625-bed facility, including 224 multi-specialty ICU beds, 88 beds in the emergency and trauma wing, and 135 private rooms. It houses 35 state-of-the-art operation theatres, ensuring a high capacity for surgical procedures. With 20 in-house pharmacies, the hospital ensures that medications are readily available to patients. DMC & Hospital offers services across 16 specialties and 19 super specialties, supported by over 500 doctors and more than 5000 employees.

The institution spans over 63.4 acres, with a 16.4-acre hospital campus and a 4.8-acre medical college campus. The hospital treats over 10 lakh patients annually, with a daily footfall of 20,000 persons. It features 125 OPD consultation chambers and offers 24x7 ambulance services, equipped with more than 200 ventilators. The hospital is equipped for organ transplants, including kidney, bone marrow, and corneal transplants. It also performs advanced neuro-intervention and gastrointestinal surgical procedures.
