

CHANDRADEEP KUMAR

boasts more than 60 student clubs and societies catering to a variety of interests, from dance and drama to music and painting, to debate and discussion and quizzing.

Last year in April, for example, the Department of Political Science and the Observer Research Foundation organised the Hindu-ORF Policy Conclave 2023 along with the ministry of external affairs and the G20 Secretariat. Not only did it prove to be a fantastic effort to take the discourse and learning beyond the classroom, it also provided students exposure and an excellent forum to understand the socio-political affairs of the world and participate in it. Exactly what their degree aims to equip them with. ■
