CORPORATE SOCIAL RESPONSIBILITY

During FY24, REC sanctioned projects worth around ₹467 crore and incurred the highest ever expenditure of ₹255 crore on various thematic areas surpassing minimum statutory requirement. Some of the major initiatives are:

- REC Foundation organised a Corporate Social Responsibility (CSR) Symposium bringing together key stakeholders from social sector
- Various athletes supported through ₹100 crore pledge to National Sports Development Fund (NSDF) who are now excelling on the global stage
- Launched scheme to deploy mobile medical units for primary health care in underserved districts across India

CSR Symposium cum Interaction with Stakeholders for discussing pivotal initiatives aimed at community welfare

REC Limited avails green loan facility of JPY 31.96 Billion (USD 200 Million) from Deutsche Bank AG, Gift City Branch

THE PATH AHEAD

The Government of India is diligently addressing the dual objectives of ensuring energy security and facilitating an energy transition towards cleaner and sustainable sources. REC is determined to play its part in contributing to country's energy transition goals by continuing as Government's strategic partner to finance entire power sector value chain and by capitalising on the new thrust areas by the Government which includes upcoming renewable energy projects; Pumped and battery energy storage, EV's / charging infrastructure, smart metering, green hydrogen/ green ammonia etc. Our strategic objective is to scale our loan book to ₹10 lakh crore by 2030 from the current loan book of ₹5.09 lakh crore. We are targeting to achieve a renewables loan book portfolio of ₹3 lakh crore by 2030 from the present level of about ₹38,971 crore.

Further, our foray into non-power infrastructure & logistics sectors adds diversification and complements our core focus areas. As India advances towards the vision of "Viksit Bharat", REC continues to be a beacon of progress and sustainability.

Asset Under Management (₹in crore)

ACKNOWLEDGEMENTS

I extend my heartfelt gratitude to the Hon'ble Minister of Power, the Hon'ble Minister of State for Power and New & Renewable Energy, the Secretary (Power) and all esteemed officials of the Ministry of Power for their steadfast support and visionary guidance. I also thank our holding company, Power Finance Corporation Limited, for their continued cooperation.

I am immensely grateful for the unwavering support from all the statutory authorities and other professionals associated with the Company. I extend my deepest thanks to all shareholders, debenture-holders, investors, lenders, borrowers and customers and all related stakeholders of the Company including the visionary State Governments, State power utilities and dynamic private sector entrepreneurs. With your invaluable support, we will embark on a thrilling journey to elevate REC to unprecedented heights.
