1 NEERAJ CHOPRA (Athletics)
41.5 [36.2]

PTI

Among male sportspersons, one name reigns at the top—javelin thrower Neeraj Chopra, who became only the third Indian athlete to win an Olympic individual medal in two consecutive Games. MOTN respondents celebrated the Army subedar major's services to the nation, as they did that of Lakshya and of hockey players Harmanpreet Singh, who scored 10 goals in India's bronze medal-winning performance, and P.R. "The Wall" Sreejesh, whose exploits under the bar were crucial as usual. Sreejesh was joined in the top five by footballer Sunil Chhetri—two athletes who announced their retirement from their respective sports after reaching the pinnacle. ■
