

specialised unit providing vocational skills and support for differently abled children, demonstrating its Founder's dedication to serving all members of the community.

SSVM campuses feature state-of-the-art infrastructure, encompassing contemporary classrooms, cutting-edge laboratories, well-stocked libraries, spacious auditoriums, and premier sports facilities. With personalized approach to learning, top-notch, passionate educators from India and abroad, cutting-edge facilities, and a proven track record of success, SSVM is dedicated to empower and nurture students to become leaders and change-makers in their communities. Integrating advanced technology and pioneering teaching methods, has culminated in the ideation and realization of educational prototypes meticulously customized to address the specific requirements of both parents and students.

A strong penchant for preparing the students to become critical thinkers, effective communicators and ethical leaders with a truly global perspective, has made SSVM forge strong partnerships with renowned organisations to run programmes like First in Math, Cambridge Assessment English, Leader-in-Me, AFS Intercultural Programme and International Award for Young People (IAYP). The collaboration with Access-USA presents a unique opportunity for students to accrue college credits while still at school facilitating admission to esteemed universities in the USA as sophomores. SSVM's affiliation with the renowned Council of International Schools (CIS) exemplifies its commitment to upholding exceptional educational standards and the attainment of the prestigious QS Diamond ranking further solidifies its reputation as a paragon of excellence in the realm of academia.

In recent years, SSVM has significantly broadened its horizon with the establishment of Ruh Early Years, a Premium Pre-School catering to children aged 6 months through 6 years in Coimbatore. Additionally, the introduction of Ruh Continuum, a K-12 School and Ruh Continuum International Primary Campus in Coimbatore, has further enriched the educational landscape by providing students with a plethora of opportunities to excel and grow, ranging from Cambridge International programmes to the prestigious International Baccalaureate curriculum.

The SSVM KIDS CASA chain of schools in Coimbatore and Mettupalayam caters to young learners aged three to six years, fostering a supportive and enriching environment for their early development. Furthermore, one of the Coimbatore campuses offers Pre-K to 5 education, ensuring a smooth and seamless educational journey for students as they sail through their formative years.

Having garnered myriad national and international commendations and accolades, SSVM persistently leads the charge in the domain of education, not only influencing the trajectory of Coimbatore but extending its impact far beyond. Infused with an unyielding commitment to excellence and an insatiable desire for innovation, SSVM remains resolute in its endeavor to nurture the future trailblazers, thereby fortifying its pledge to empower the forthcoming generation of leaders.
