

artisan for construction of group worksheds instead of Rs.40,000 to improve the working conditions of Khadi artisans. The fourth component of **Modified Market Development Assistance (MMDA)** is distributed among Producing Institutions, Selling Institutions, Artisans and Karyakartas, which in turn increases the working capacity of the Khadi Institutions and Khadi artisans. The MMDA for cotton, woollen and polyvastra is now being calculated at 35% instead of 30% earlier at prime cost. KVY has emerged as a catalyst for positive change. Under this ambitious scheme, various achievements have been recorded, underscoring its impact on the grassroots level.

KVIC is also implementing skill development training programmes through **'Gramodyog Vikas Yojana'** and fulfilling Pujya Bapu's dream of making villages self-reliant. About 14,000 Khadi artisans have already been trained during the last 9 years through various training centres. Schemes like **Honey Mission, Kumhar Sashaktikaran,** etc. have given great opportunities to the artisans and beneficiaries to increase their income and improve livelihood opportunities. As a strong support machinery and toolkits are distributed to artisans training is provided in various rural industries such as soap making, palm jaggery, agarbatti manufacturing, paper conversion, leather industry and rural engineering etc. Over 6000 toolkits have been distributed to artisans apart from distribution of over 1.92 lakh honey bee boxes, enabling skill development and entrepreneurship at the grassroots level. Furthermore, 28,072 Electric Potter Wheels, 1658 Home Scale Clay Blungers, 360 Pugmills & 54 Kilns have also been distributed to artisans till date which has brought significant change in the lives of potters. In a similar manner, through the **'SFURTI' (Scheme of Fund for Regeneration of Traditional Industries)** initiative, KVIC has brought about significant changes in the lives of traditional artisans

KVIC's Vision for Aatmanirbhar & Viksit Bharat

Among the future plans for Khadi, **'New Khadi of New India'** is working rapidly on five new schemes: **Khadi Shakti**, **Kushal Karigar Vikas Yojana**, **Mahila Silai Samriddhi Yojana**, Lotus Silk and Mati Kala Kumhar Sashaktikaran. While **Khadi Shakti** is aimed at promoting khadi and supporting hard work of artisans working in remotest villages of the country, the **Kushal Karigar Vikas Yojana** will be a new sub scheme for supporting more artisans and beneficiaries. The **Mahila Silai Samriddhi Yojana** would provide more opportunities to women power in rural areas. The process of preparing **'Lotus Silk'** prepared from lotus plants by the artisans of Manipur under the banner of KVIC's Lotus Silk Scheme is in the final stage. With the objective of giving the trained pottery artisans a life of dignity through increased production and wages, upskilling, training and equipment distribution will be provided to the trained pottery artisans under the **Mati Kala Kumhar Sashaktikaran.**

Under the leadership of Hon'ble Prime Minister Shri Narendra Modi, the mantra of **'Khadi for Nation, Khadi for Fashion, and Khadi for Transformation'** is now ready for a **'Global Revolution'**. The essence of this mantra is encapsulated in the slogan emphasizing Khadi as both a weapon and a shield. This has revitalized the Khadi industry, transforming it into a symbol of national pride. By promoting Khadi as a **'Fashionable and Environment Friendly'** choice, KVIC not only preserves India's rich cultural heritage but also mitigates the ill effects of **'Global Warming'**. In line with **'Modi Government's Guarantee'**, KVIC, in its mission, ensures that the benefits of economic development reach all sections of society. The slogan **'Sabka Saath Sabka Vikas'** reflects the inclusive approach advocated by Prime Minister Modi. The concept of **'Vocal for Local'** and **'Make in India'** resonates deeply with KVIC's mission to promote and empower local industries. In alignment with Modi Government's vision, KVIC is making a significant contribution to economically empower rural India towards development of Viksit Bharat by 2047.

> Under the visionary leadership of the Hon'ble PM Sh. Narendra Modi, through rural-based industries such as beekeeping, incense stick manufacturing, and making earthenware, KVIC is ensuring that the rural population actively benefits from the **'New Khadi Movement'**. The vision of **'Ek Bharat Shreshth Bharat'** emphasizes unity in diversity. By fostering a sense of National identity through Khadi and other indigenous products, KVIC is contributing to the overarching vision of a strong and united **Viksit Bharat** by **2047.**
