

# Vikram Sahney: A VISIONARY LEADER SHAPING AN ATMANIRBHAR BHARAT

In the expansive realm of visionaries, Shri. Vikramjit Singh Sahney stands tall as a symbol of self-reliance and community welfare. Padma Shri awardee, Chairman of Sun Foundation and International President of World Punjabi Organisation - his journey from humble beginnings to a Member of Parliament for Rajya Sabha mirrors the transformative power of vision and dedication to society. Shri. Sahney's commitment to socio-economic uplift is evident through initiatives like 'Angels of Sun.' to support young learners. Recognized as the 'Employment man of India,' Shri. Sahney has empowered over 20,000 rural women through his 'Surya Kiran' initiative, fostering financial independence and gender equality.

Understanding the pivotal role of skill development, Vikram Sahney, a former board member of NSDC, has been tirelessly working towards skilling and job opportunities for youth. He has established the World Class Skill Centre of Excellence in Delhi, the Multi Skill Development Centre in Amritsar, and there are another 10 upcoming Centers of Excellence, all dedicated to imparting free skilling.

Last year alone, over 2500 students underwent free training, securing meaningful jobs and contributing to the nation's workforce. The drug de-addiction and rehabilitation centers under his guidance have so far successfully reintegrated almost 500 youth back to normalcy.

A compassionate leader, he funded three chartered flights to rescue 500 Afghani Hindus and Sikhs from Kabul, as "My Family My Responsibility" initiative, for their holistic rehabilitation. Noteworthy for anti-trafficking initiatives, he aided the evacuation of youth from Turkey and Libya. Under Mission Hope, he extradited and rehabilitated 80 Indian girls from Oman. His proactive support extends globally and advocated for 700 students facing deportation in Canada.

During COVID pandemic, Shri. Sahney emerged as a true 'Corona Warrior.' His proactive efforts included setting up a 400-bed Covid Care Centre, providing medical equipment like oxygen concentrators and cylinders, and establishing PSA oxygen generation plant at Gandhinagar and AI enabled mobile testing units at doorsteps in Punjab& Delhi. He has fervently championed the 'Make In India' initiative, assuming leadership roles at prestigious forums such as BRICS, B20, Indo-Arab Forum, and SAARC in the past. From crisis management during the pandemic to empowering youth through skill development and employment, he embodies the spirit of 'Atma Nirbharata.'

As India charts its course towards a self-reliant future, leaders like Shri. Sahney plays a pivotal role in shaping both the micro and macroeconomic landscape of the nation. His dedication to the principles of self-reliance, empowerment, and community welfare undoubtedly positions him as a transformative force in the journey towards an Atmanirbhar Bharat.
